

## 2012 United States Mint Proof Set® Available May 7

April 30, 2012

WASHINGTON — Collectors may begin placing their orders for the 2012 United States Mint Proof Set on May 7, at noon Eastern Time (ET). The set is priced at \$31.95.

The 2012 United States Mint Proof Set includes coins in the America the Beautiful Quarters® Program, now in its third year. The quarters' reverse designs honor El Yunque National Forest (Puerto Rico), Chaco Culture National Historical Park (New Mexico), Acadia National Park (Maine), Hawai'i Volcanoes National Park (Hawaii) and Denali National Park and Preserve (Alaska). The set also includes Presidential \$1 Coins honoring Chester Arthur, Grover Cleveland – first and second terms – and Benjamin Harrison; a new Native American \$1 Coin; and the Kennedy half-dollar, Jefferson 5-cent, Roosevelt dime, and Lincoln one-cent coins.

The coins in the popular United States Mint Proof Set are manufactured using specially prepared, highly polished dies. The coins are extraordinarily brilliant, with sharp relief and a mirror-like background. A frosted, sculpted foreground gives them a special cameo effect. The coins are sealed in three protective lenses to accentuate and maintain their exceptional finish. A Certificate of Authenticity is included with each set.
